AISTech 2019 in Pittsburgh, Pennsylvania, USA

From 06.-09. May the "AISTech - The Iron and Steel Conference and Exhibition" will take place at the David L. Lawrence Convention Center, Pittsburgh, Pa., USA.

The AISTech exhibition is an event that you shouldn't miss, providing perspective on the technology and engineering expertise necessary to power a sustainable steel industry. More than 500 companies have already registered as exhibitors and more than

550 technical presentations are offered to visitors.

DUMA-BANDZINK and EMG USA jointly present the Integrated Solution – the best of two market-leading technologies. You are warmly invited to meet us at the booth 1837. Appointments can already be coordinated with our local team.
